

# Ke\$ha - Old Flames Can't Hold a Candle To You

Tom: C  
Intro: C

C F  
Downtown tonight, I saw an old friend, someone who  
G C  
I used to take comfort from long before I met you  
C F  
I saw a spark in his eyes of forgotten desire  
G C  
With a word or a touch, I could've rekindled that fire

C F  
But old flames can't hold a candle to you  
G C  
No one can light up the night like you do  
C F  
Flickering embers of love, I've known one or two  
G C  
But old flames can't hold a candle to you

C F

Sometimes at night, I think of the lovers I've known  
G C  
Remember 'em holding me helps me not feel so alone  
C F  
Then I feel you beside me, and even their memories are gone  
G C  
Like stars in the night lost in the sweet light of dawn

C F  
But old flames can't hold a candle to you  
G C  
No one can light up the night like you do  
C F  
Flickering embers of love, I've known one or two  
G C  
But old flames can't hold a candle to you  
G C  
Old flames can't hold a candle to you
