

# Keshi - Skeletons

tom:  
 G  
 Stressed out  
 Feeling lost and I don't know what to do now  
 What I chose ain't really gonna work out  
 Fallin' six feet underneath the floor now  
 Think I'm gonna tap out (ooh-ahh, ooh-ahh)  
 Feel bad, go to bed  
 Wake up even worse yea  
 So sad, in my head  
 Feeling like a curse  
 I need medicine, medicine, medicine  
 All my skeletons out for the taking (ooh-ahh)  
 Yea, I don't even know if I'ma make it  
 I'm afraid of myself and I hate it  
 All my skeletons out for the taking  
 Somebody take 'em

 I wanna run away, the day to day  
 Is taking its toll on me  
 And I'm tearing at the seams  
 Throw it all away  
 Give a Fuck about what they say  
 I gotta disagree  
 This ain't really fun for me  
 Feel bad, go to bed  
 Wake up even worse yea  
 So sad, in my head  
 Feeling like a curse  
 I need medicine, medicine, medicine  
 All my skeletons out for the taking (ooh-ahh)  
 Yea, I don't even know if I'ma make it  
 I'm afraid of myself and I hate it  
 All my skeletons out for the taking  
 Somebody take 'em
