

Kevin Atwater - Why Did You Invite Me To Ur Wedding

tom:
 Eb (forma dos acordes no tom de D)
 Capotraste na 1ª casa
 Intro: D G D G

[Primeira Parte]

D
 I got your message last night around 1:00
 G
 You're getting married and you want me to come
 D
 You miss me a lot and the wedding's next month
 G
 I think you were drunk, you spelled "wedding" wrong

D
 I used to break wishbones and pray that you liked me
 G
 And went to away games to pretend I liked fighting
 D
 You'd scan the crowd for my face with your eyes
 G
 Maybe I was in love or you were just nice

[Refrão]

D Em
 Mmm a rush kinda like the old times
 G Em
 After all of these years I still cross your mind
 D
 Or maybe you thought you'd reach out to be nice
 G D
 But why'd you invite me in the middle of the night?

[Segunda Parte]

D
 Do you remember when you thought your dad was dying?
 G
 I ran to your house in the middle of the night
 D

Acordes

When you found out he wasn't, caught in the moment
 G
 I kissed you and then you got quiet
 D
 You could've hurt me, it would've been easy
 G D
 We were that age where boys started being mean to be mean

But you took my hand and asked me to dance
 G
 To nothing and never brought it up again

[Refrão]

G Em
 Mmm if I saw you what would I say?
 G Em
 Would we act like we can't see that nothing's the same?
 D G
 We used to make fun of kids marrying young
 Em
 But it's not as funny when it's someone you loved

G Em
 Mmm I wanna call you with a hand in my pants
 G Em
 And let you say drunk little things you'll regret
 D G
 But I'd just be the reason that somebody cries
 G G
 But then why'd you invite me in the middle of the night?

[Final]

D
 I'll never know why
 G
 Cause I'll never reply
 D
 So you can just stay nice
 G
 In the back of my mind
