Aca les pongo lo que dice durante la cancion, como regalito.

I've been waitin' for this moment, baby
Knowing all along that it was goin' to happen
Even through the moments of doubt, baby
I knew you'd come through
You owed it to yourself, baby
You were with him for way too long
Trapped in you own fears for almost 8 years
And all you had to do was wake up and walk out
Cause I was here waitin' all along
And now you know
That you belong to yourself
Not to him, not to me
And you chose me
Thank you

Espero que les salga, cualquier cosa avisen! Suerte!!
