

Kevin Kaarl - On My Mood

tom:
 Dm (forma dos acordes no tom de Am)
 Capostraste na 5ª casa

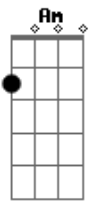

Yes I'm here right now
 And it feels so bad
 You can yell at the people who hurt you in your own damn house
 But you know I'm not on my mood
 Yeah, you know I'm not on my mood
 And you can always tell me what you're feeling, my friend
 And yellow world is burning and you want to escape from it
 And I would like to sing you about the things that do no hurt
 But you know I'm not on my mood
 Yeah, you know I'm not on my mood
 And my mind is tired

And my soul is blind
 Porque extrañas un hombre que hace tiempo te dejó
 You know I'm not on my mood
 Yeah, you know I'm not on my mood
 And you can always tell me what you're feeling, my friend
 And yellow world is burning and you want to escape from there
 And I would like to sing you about the things that do not hurt
 But you know I'm not on my mood
 Yeah, you know I'm not on my mood
 And you can always tell me what you're feeling, my friend
 And yellow world is burning and you want to escape from there
 And I would like to sing you about the things that do not hurt
 But you know I'm not on my mood
 Yeah, you know I'm not on my mood
 Yeah, you know I'm not on my mood
