Tom: E

m [Intro] Em

Em
The boy I love's got another girl
He might be fucking her right now
Am
I don't have an apartment
Thought if I was smart I'd make it far Em
But I'm still at the start
Guess I'm contagious it'd be safest if you ran
Fuck that's what they all just end up doing in the end
Am
Take my car and paint it black
Take my arm, break it in half
Em
Say something, do it soon
It's too quiet in this room

G
I need noise
Am
I need the buzz of a sub
Em
Need the crack of a whip
Need some blood in the cut
G
I need noise
Am
I need the buzz of a sub
Em
Need the crack of a whip
Need some blood in the cut
Em
I need blood in the cut
I need blood in the cut

Em
Met back up with the boy I love
Cried on the streets of San Francisco
Am
I don't have an agenda
Em
All I do is pretend to be ok so my friends
Can't see my heart in the blender
Em
And lately I've been killing all my time

Reading through your messages

My favorite way to die
Am
Take my head and kick it in
Break some bread for all my sins
Em
Say a word, do it soon
It's too quiet in this room

Em
I need noise
I need the buzz of a sub
Em
Need the crack of a whip
Need some blood in the cut
