Tom: G

m [Intro] F Bb D Eb  
 F Bb D Eb

F Bb D Eb  
 Nobody showed you how to live? Me either  
 F Bb D Eb  
 Get a steady job, couple kids, act decent  
 F Bb  
 But I've been on a ten-speed  
 D Eb  
 Thinking about the time as the sun sets  
 F Bb  
 Like, what would I do different  
 D Eb  
 If I hit rewind and did it again?  
 F Bb  
 I, I tried to figure it out

D  
 But nothing was coming to mind  
 D  
 Remembered all my mistakes  
 Eb  
 But the memories made me smile  
 F Bb  
 I told the one that I loved

D  
 That love would mean letting me go  
 D  
 Even though I was afraid  
 Eb  
 You gotta do some things on your own

F Bb D Eb  
 This one goes out to all the dreamers at sea  
 F Bb D Eb  
 This life is only what you want it to be  
 F Bb  
 And I want more, I want more  
 D Eb  
 I want more, I want more  
 F Bb Eb  
 I want more, I want more, I want more

F Bb D Eb  
 You go to heaven when you die I'm betting  
 F Bb D  
 You're still with me on the line? Just checking  
 F Bb  
 Cause I've been making fast friends  
 D Eb

Late at night the kind when the sun sets  
 F Bb D Eb  
 Like, waking up and thinking honey why I do it again?  
 F Bb  
 I, I came to in a cold sweat

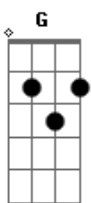

D  
 With a nosebleed feeling hopeless  
 D  
 Thought I maybe might be dead  
 Eb  
 Till I got my pen sat down and wrote this  
 F Bb  
 Suddenly I felt fine inside a mind so full of ghosts  
 The darkest nights mean you see the stars the most

F Bb D Eb  
 This one goes out to all the dreamers at sea  
 F Bb D Eb  
 This life is only what you want it to be  
 F Bb  
 And I want more, I want more  
 D Eb  
 I want more, I want more  
 F Bb Eb  
 I want more, I want more, I want more

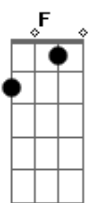

Gm F  
 I used to knock on wood, I used to never curse  
 Dm Eb  
 I used to think I could control the universe  
 Gm F  
 With my obsessive thoughts and what felt like a prayer  
 Dm Eb  
 I shouted to the sky don't let my family disappear  
 Gm F  
 I used to feel alone, I used to not belong  
 Dm Eb  
 But little did I know I had the power all along  
 Gm F Dm Eb  
 The only thing to fear is never being scared

F Bb D Eb  
 This one goes out to all the dreamers at sea  
 F Bb D Eb  
 This life is only what you want it to be  
 F Bb  
 And I want more, I want more  
 D Eb  
 I want more, I want more  
 F Bb D Eb  
 I want more, I want more, I want more
