B|-----------------------------------------------|
G|-----------------------------------------------|
D|--1---1-1-1----------3--3--3--3----------------|
A|------------3---3-3-3--------------------------|
E|-----------------------------------------------|

          Eb                  C   G
I don?t like anyone better than you, it?s true
           Eb                  C              G
I?d crawl a mile in a desolate place with the snakes, just for
you
           Eb                  C              G
Oh I?m an animal hand me a Tramadol gimme the juice
           Eb                  C                G
You are my citadel you are my wishing well my baby blue

E|-----------------------------------------------|
B|-----------------------------------------------|
G|-----------------------------------------------|
D|--1-1-1-1-1-1------------5-5-5-5-5-5-5-5-5-5--|
A|--------------3-3-3-3-3-3--------------------- |
E|-----------------------------------------------|

E|-----------------------------------------------|
B|-----------------------------------------------|
G|-----------------------------------------------|
D|--1-1-1-1-1-1------------3-3-3-3-3-3-3-3-3-3--|
A|--------------3-3-3-3-3-3--------------------- |

E|-----------------------------------------------|
Eb                      C
I used to like liquor to get me inspired
        G
But you look so beautiful, my new supplier
  Eb                      C
I used to like smoking to stop all the thinking
        G
But I found a different buzz
  Eb                      C
The world is a curse it?ll kill if you let it
        G
I know they got pills that can help you forget it
  Eb                      C
They bottle it, call it medicine
        G
But I don?t need drugs

E|-----------------------------------------------|
B|-----------------------------------------------|
G|-----------------------------------------------|
D|--1---1-1-1----------5---5-5-5-5---5-5-5-------|
A|------------3---3-3-3--------------------------|
E|-----------------------------------------------|

E|-----------------------------------------------|
B|-----------------------------------------------|
G|-----------------------------------------------|
D|--1---1-1-1----------3--3--3--3----------------|
A|------------3---3-3-3--------------------------|
E|-----------------------------------------------|

Cause I?m already high enough!
You got me you got me good
I?m already high enough!
I only, I only, I only got eyes for you
```
