

# K.Flav - I Can't Sleep (Feat. Vanic)

Tom: C

Intro: (C Am Em G )

Maybe I've been slipping back  
 Heading south, carsick on a tuesday  
 Missing cash, blacking out, heartless in a few ways  
 Shit for luck, elbows shredded  
 I held things steady like too late  
 Please calm the fuck down, I'll do whatever you say  
 I get it, I get it, I'm living too hard and it's time that I stop it  
 But rising on up and then  
 Tumbling down well it's part of the process  
 Bar tabs on a hot night in a cold basement  
 You say I'm crazy but I feel amazing  
 My mother told me that the world has got its plans  
 I wanna hold em til they burn right through my hands  
 Don't ask me questions cause I'm tired of confessing  
 And I know that it's not much  
 To say but I swear that I'd like to change  
 I can't sleep, I hope I stay awake  
 Cause I've been running, running, running all day  
 I can't sleep (sleep, sleep, sleep, sleep...)  
 I can't sleep  
 ( C Am Em G ) (4x)  
 Maybe I've been freaking out  
 Moving quick, burning the wick at both ends

Screaming loud, stupid shit, scaring all of my old friends  
 Fell down on bedford, hope that it's not broken  
 Safe to say I might have had  
 Too much of some of these potions  
 I love you so much, I'm staying here all night  
 Don't want to get up, I don't want to stop, I don't want to close my eyes  
 I'd rather not give a fuck and end up with some scars  
 The night's just long enough for me to build it all and let it fall apart  
 My mother told me that the world has got its plans  
 I wanna hold em til they burn right through my hands  
 Don't ask me questions cause I'm tired of confessing  
 And I know that it's not much  
 To say but I swear that I'd like to change  
 I can't sleep, I hope I stay awake  
 Cause I've been running, running, running all day  
 I can't sleep (sleep, sleep, sleep, sleep...)  
 I can't sleep  
 ( C Am Em G ) (4x)  
 I can't sleep, I hope I stay awake  
 Cause I've been running, running, running all day  
 Long nights, no peace, I feel like everybody's eyes on me  
 I can't sleep, I hope I stay awake  
 Cause I've been running, running, running all day  
 Long nights, no peace, I feel like everybody's eyes on me  
 ( C Am Em G ) (2x)

## Acordes
