

# Khai Dreams - Sunkissed

tom:

**B**

So slowly a sunlit dream pulls me out of sleep

Feel the morning through the blinds

I get to thinking 'bout your sunkissed face

And a quiet place where I could give you all my time

You know I wanna be your rock, my love

You know I wanna be your light

In darkness how you find me just in time

To tell me what I needed to hear

So if you don't know what you need

You can leave it all to me

Don't want you worried 'bout a thing

I know you'd do the same for me

'Cause you're so lovely

You're so lovely

I can't help but fall for you, love

When you love me

It's so lovely loving you

Ohoh, ohoh

So lovely loving you

Ohoh, ohoh

So softly a tender breeze brush against my knees on a summer afternoon

I get to thinking 'bout the hazy days

Under August shade that I used to spend with you

I didn't realize it was all I wanted, what I had

My riddled heart I had to cradle back together just to see

It's all like magic to me

You do magic, baby

When you love me

You're so lovely

I can't help but fall for you, love

When you love me

It's so lovely loving you

Ohoh, ohoh

So lovely loving you

Ohoh, ohoh

So slowly a sunlit dream pulls me out of sleep

Feel the morning through the blinds

I turn my head to meet your sunkissed face

In this quiet place I can give you all my time
