

# Khai Dreams - Sunkissed

tom:  
 Db (forma dos acordes no tom de G)  
 Capotraste na 6ª casa

So slowly a sunlit dream pulls me out of sleep  
 Feel the morning through the blinds  
 I get to think 'bout your sunkissed face  
 And a quiet place where I could give you all my time  
 You know I wanna be your rock, my love  
 You know I wanna be your light  
 In darkness how you find me just in time  
 To tell me what I needed to hear  
 So if you don't know what you need  
 You can leave it all to me  
 Don't want you worried 'bout a thing  
 I know you'd do the same for me

Cuz you're so lovely  
 You're so lovely  
 I can't help but fall for you love  
 When you love me

It's so lovely loving you, oh, oh  
 So lovely loving you, oh, oh  
 So softly a tender breeze brush against my knees on a summer afternoon  
 I get to thinking 'bout the hazy days under August shade that I used to spend with you  
 I didn't realize it was all I wanted what I had  
 My riddled heart I had to cradle back together just to see  
 It's all like magic to me  
 You do magic baby  
 When you love me  
 You're so lovely  
 I can't help but fall for you love  
 When you love me  
 It's so lovely loving you, oh, oh  
 So lovely loving you, oh, oh

So slowly a sunlit dream pulls me out of sleep  
 Feel the morning through the blinds  
 I turn my head to meet your sunkissed face  
 In this quiet place I can give you all my time
