Khai Dreams - Through And Through

Tom: Ab I will be there for you even if we may seek a separate light [Pre-Refrão] m I only think about it in the night time Db В Db Always in the night time And I don't know what I've been waiting for Bbm Gb It feels like I'm always losing my way Up too late lying on the floor Thinking I've been here for so long Gb I'm doubting every step I take Just a little too long Abm Abm Db Think I need to get out of the door I know that everything finds its place But I've never been a brave one Gb Although I wish I knew where to Db Always was a tame one I guess I'll have to see it through Gb Always double checked all that I knew [Refrão] But that safety is a danger Yeah there's only one way out it's through Abm Oh through and through [Refrão] Db Oh through and through I'll find my way to you Abm Oh through and through Gb Though I'll admit it may take me some time Db Oh through and through I'll find my way to you Abm Oh through and through Gb Though I'll admit it may take me some time Db Abm Oh through and through Oh through and through Gb I will be there for you even if we may seek a separate light Db Oh through and through (B Db Gb) Gb Acordes
