

# Khalid - Better

Tom: Eb

m (forma dos acordes no tom de Cm)  
Capostrate na 3ª casa

Better  
Nothing, baby  
Nothing feels better  
I'm not really drunk I never get that fucked up  
I'm not, I'm so sober  
I love to see you shine in the night like the diamond you are  
(I love to see you shine in the night like the diamond you are)  
I'm good on the side, it's alright, just hold me in the dark  
(I'm good on the side, it's alright, just hold me in the dark)  
No one's gotta know what we do, hit me up when you're bored  
(No one's gotta know what we do, hit me up when you're bored)  
'Cause I live down the street  
So hit me when you need and it's yours  
All I hear  
Nothing feels better than this  
Nothing feels better  
Nothing feels better than this  
Nothing feels better, oh no  
We don't gotta lie, this is what you like  
I admit  
Nothing feels better than this  
You say that we're just friends but I swear when nobody's around  
(You say that we're just friends but I swear when nobody's around)  
You keep my hands around your neck, we connect, are you feeling it now?

(You keep my hands around your neck, we connect, are you feeling it now?)  
'Cause I am  
I got so high the other night, I swear to God, felt my feet leave the ground  
(I got so high the other night, I swear to God I felt my feet lift the ground)  
Ooh, yeah  
Your back against the wall this is all you've been talking about  
In my ears  
Nothing feels better than this  
Nothing feels better  
Nothing feels better than this  
Nothing feels better, oh no  
We don't gotta lie, this is what you like  
I admit  
Nothing feels better than this  
Go left, right left, like  
Take you back, lean you side to side  
Like that, like that, ayy  
Go left, right left, like  
Take you back, lean you side to side  
N.C.  
Like  
Nothing feels better than this  
Nothing feels better  
Nothing feels better than this  
Nothing feels better, oh no  
We don't gotta lie, this is what you like  
I admit  
Nothing feels better than this  
Nothing feels better than this
