

# Khalid - Stuck On U

Tom: Bb

So, this is gonna be one take!  
 One, two, three, four

I walk, I walk, I see the light  
 I push, I fall, and all of my life  
 I search for my love, I cannot find  
 A love like yours, as hard as I've tried

Lay by my side just for the night  
 This isn't love but it feels right

I must admit I cry at nights  
 I'm stuck on you and I don't know why

You hit me hard, then you tore my world apart

How do I move on if I don't know where to start?

You've got a hold on me I'll admit that is true  
 So why do I keep searching when I'm stuck on you?

I don't know why I feel like this  
 At times I don't think I can handle it  
 I don't know why I feel so low

You were the one who kept me whole  
 You chew me up then spit me out

You stole the words right out my mouth

You fed me with "I love you"s  
 I don't know why I'm stuck  
 You hit me hard, then you tore my world apart

How do I move on if I don't know where to start?

You've got a hold on me I'll admit that is true  
 So why do I keep searching when I'm stuck on you?
