[Verse 1]

Are we better off believing <sup>C Em</sup>  
 What the ignorance suggests? <sup>D</sup>  
 I wish living life was easy (mhm) <sup>Am Em</sup>  
 But mine has been a mess <sup>D</sup>  
 They say it comes with the seasons (mhm) <sup>C Em</sup>  
 But the seasons come and go (they go) <sup>D</sup>  
 I go blurry when I'm thinking <sup>Am Em</sup>  
 Is it me or vertigo? <sup>D</sup>

[Pré-Refrão]

Criticized, who am I to give up? <sup>Am Em</sup>  
 I'm breathing, what's the reason to let up? <sup>D</sup>  
 Sympathize, who am I to give up? <sup>Am Em</sup>  
 Putting on my favorite get up <sup>D</sup>

[Refrão]

Are we alive? <sup>D C</sup>  
 Or are we dreaming? <sup>Em D</sup>  
 After the ride <sup>Am</sup>  
 Are you leaving? <sup>Em D</sup>  
 Are we alive? (Riding this, riding in this) <sup>D C</sup>  
 Or are we dreaming? (Riding this, riding in this) <sup>Em D</sup>  
 After the ride <sup>Am</sup>  
 Are you leaving? (Riding this, riding in this) <sup>Em D</sup>  
 Yeah

 But the words are out of reach <sup>D</sup>  
 Hmm, thought I loved you in the moment <sup>C Em</sup>  
 I was happy, I was young <sup>D</sup>  
 I've been learning, I've been growing <sup>Am Em</sup>  
 But the worst is yet to come <sup>D</sup>
