

Khalil Goch - O Que Restou

tom:

E

Eu até pensei em largar

Muito do que trago em mim

Mas, não é tão fácil seguir

Quando a gente tem muito a perder

E

Eu pude contar os segundos

A B

De quando você me deixou

E lembrei do som dos seus passos

Indo pra onde eu não vou

A E

Eu que até descobri

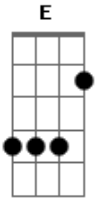

Que a vida pode valer a pena

A E

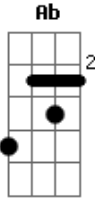

E resolvi te guardar

Dentro do que restou de mim
