

Kid Rock - When It Rains

tom:
 Capostraste na 2ª casa

[Primeira Parte]

Like a deer in the headlights, I stood frozen in my tracks
 And the weight of the news it nearly broke my back
 It was late September, and I remember oh so well
 Put a rose in the bible and placed it upon my shelf

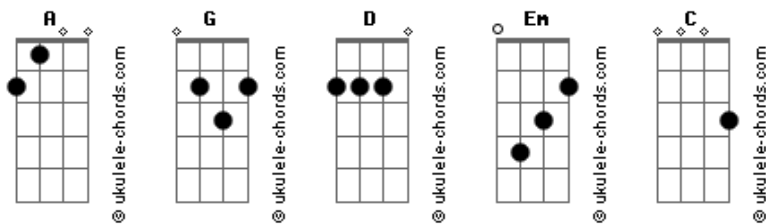

[Refrão]

Now when it rains, it pours
 Wish I didn't know now the things I never knew before
 Now when it rains, it pours
 Wish I didn't know now the things I never knew before

[Segunda Parte]

Back then when we were 17
 Time was on our side
 Holes in our jeans and a pocket full of dreams
 The future was Friday night
 And we would hangout down by the river bend
 Singing our favourite songs
 Laughing and drinking, smoking and smiling
 Now those days are gone

Acordes

When it rains, it pours
 Wish I didn't know now the things I never knew before
 Now when it rains, it pours
 Wish I didn't know now the things I know for sure
 Like a deer in the headlights, I stood frozen in my tracks
 And the weight of you not here nearly broke my back
 And the tears they fell like a monsoon
 Underneath the cold fall moon
 And some how God put his hands on your shoulders
 Way too, way too soon
 Now when it rains, it pours
 Wish I didn't know now the things I never knew before
 Now when it rains, it pours
 Wish I didn't know now, No, I didn't know now
 What I knew before
 When it rains, Oooh it pours
 Wish I didn't know now, No, I didn't know now What I knew before
 Oh, hey, yeah, oh, oh yeah, oh, oh yeah, oh, ooh yeah
 When it rains, rains, yeah, it pours
 Oooh, oooh, oh yeah
