

# Kiefer Sutherland - Can't Stay Way

Tom: C  
Intro: G C

G C G C  
G  
I'm walking in the wrong direction know I should be walking home

C G  
Smart enough to know much better ain't tough enough to be alone  
Am C G C 2x  
I can't stay away

G C G  
G  
Got my wrapped around your finger pulling strings to play my heart

C G  
You fill the night with conversation that turns the daylight dark

Am C G C 2x

Oh I can't stay away  
Am C G C  
Oh I can't stay away

Am C Am  
There you go laughing at me watch my wheels fall off track

C solo : G C 4x Am C G C G  
Did you think I'd let you down did you think I'd get you baby off my back

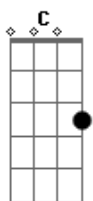

G C  
I can feel your blood run through me I'm standing on a mountain high

G C  
Sent to hell on a devils wings couldn't stop her if I tried

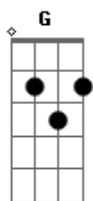

Am C G C 2x  
Oh I can't stay away

Am C G C  
Oh I can't stay away
