## Kiesza - Hideaway

Tom: Bb You're just another day that keeps me breathing F (Intro) Fb Cm Gm ooh... ahh... ahh... ooh... (x2) Taking me higher than I've ever been before Baby, I love the way that there's nothing sure I'm holding it back, just wanna shout out "give me more" Cm You're just a hideaway, you're just a feeling Baby, don't stop me, hide away with me some more... You let my heart escape, beyond the meaning Eb F Gm Cm ooh... ahh... ahh... ooh...

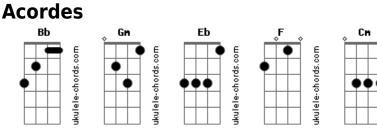

Oh, baby, it's out of my control what's going on Gm Eb

Not even I can find a way to stop the storm

But you're just a chance I take to keep on dreaming Cm You're just another day that keeps me breathing Fb Baby, I love the way that there's nothing sure Baby, don't stop me, hide away with me some more! (bass) Eb F Gm Cm ooh... ahh... ahh... ooh... (x4) Fh You're sending a shiver up my spine, might overflow Cm You're bringing me closer to the edge of letting go Fb You're just a hideaway, you're just a feeling Cm You let my heart escape, beyond the meaning Pulling my head into the clouds. I'm floating up. Cm When you get me going I can't find a way to stop Eb You're just a chance I take to keep on dreaming
