

## Kiiara - Whippin

```
Tom: C
    Cm
                         Dm
Whippin', whippin'
Whippin', whippin', whippin'
Whippin'
                        Dm
Don't hit me past one 'cause I might come
Poppin' on your voicemail goin' dumb
If it's past two, I can't look at you (fuck it)
But I will 'cause you're too true
Too real for the waters, how you make me puke
No-no-no, hey, I still fuck with you
                           Dm
It's good luck, when I'm like, "Oh, what's up with you?"
                           Dm
Wrist, wrist, whippin' in the car with you
Whippin' in the car with you, you, you
                          Dm
Whippin' in the car with you,
                          Dm
Whippin' in the car with you, you, you
                          Dm
                                     Fh
Whippin' in the car with you,
                              you,
                                   you
                          Dm
Wh-whippin', whippin'
Whippin', whippin', whippin'
Whippin'
                                     Fh
Whippin', whippin', whippin'
Whippin', whippin'
                                     Eb
Whippin' in the car with you
                                     Fh
Whippin' in the car with you
Whippin' in the car with you, you, you
                          Dm
                                     Fh
Whippin' in the car with you,
                                   you
                          Dm
Whippin' in the car with you,
                              vou, vou
                                    Eb
```

```
Whippin' in the car with you, you, you
Phone lit, past three, see you say what's up
Fuckboy, thought I told you not to hit me up
I got a problem and it sucks, boy
O.T., I'm in love with the fuckboys
I'm just bein' real, can I keep it real?
Way too many feels, way too many feels
Chanel bag, cop it, I don't fuckin' want it
                            Dm
I don't need that bullshit in your wallet
Whippin' in the car with you, you, you
                           Dm
Whippin' in the car with you,
                                    you
                           \mathsf{Dm}
Whippin' in the car with you, you, you
                           Dm
Whippin' in the car with you, you,
                                    vou
                           Dm
Wh-whippin', whippin'
Whippin', whippin', whippin' Whippin'
                                     Fh
Whippin', whippin', whippin'
Whippin', whippin'
Whippin' in the car with you
                                     Fh
Whippin' in the car with you
Whippin' in the car with you, you, you
                           Dm
Whippin' in the car with you,
                                    you
                           Dm
Whippin' in the car with you,
                           Dm
Whippin' in the car with you, you, you
                           Dm
Whippin' in the car with you, you, you
You, you, you, you
```
