Tom: D

Intro: A G A G

Dbm Bm Dbm Bm

Across the highway I was thinking high and I
free myself
Of all the bad thoughts listening to the song

And I was singing along

A G A G

And I was singing along, and I was singing
along

Dbm Bm Dbm Bm

Along the sidewalk they say there must be
other day
To save the future. The world should vibe
enough

If we were singing a song

A G A G

If we were singing a song, if we were singing
a song

(**Em D Em D C Em C Em D**)

Dbm Bm Dbm Bm

with all the willing to change the ways of
those who stay
Against each other. I thing they should give
up

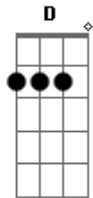

If they were singing a song

A G A G

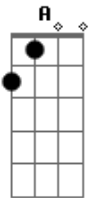

If they were singing a song, if they were
singing a song

(**A G A G**)
