Do you wanna go with me?  
Do you wanna go with me?  
Do you wanna go with me?  
Do you wanna go with me?

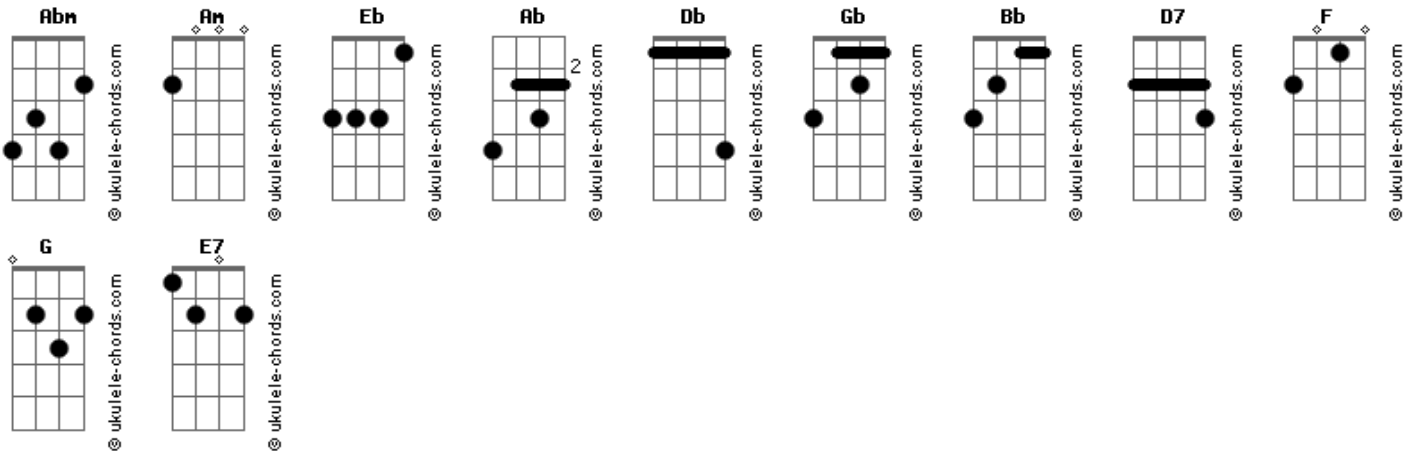

I gotta do it now  
I got a thing, got a thing, got a thing, got a thing for you  
I wanna know it now  
I wanna know, wanna know, wanna know if you want it too

I gotta do it now  
I'm gonna fly away  
To a new horizon  
Gotta drop it now  
Forget my old heartache  
Till the Sun is shining

Do you wanna go with me?  
Do you wanna go with me?  
Do you wanna go with me?  
Do you wanna go with me?  
Do you wanna go with me?

To a new horizon
