

Killian Scott - Eurydice

```
tom:
Intro: D E Dbm
[Primeira Parte]
Every hour, every aching moment, oh
We are bound, bound for Asphodel, woah
Hand in hand, pull me through the river, I
Mouth to mouth like we're lung-to-lung
[Pré-Refrão]
Is it a little too much
Breathin' the air from your lungs?
Is it a little bit much
Under the weight of this love?
[Refrão]
But I, I, I
I wanna breathe your every breath
Be the truth and be the myth
Through the days and through the nights
Through the bitter life, oh, I
'Cause you're my life and you're my death
You score the music in my h?ad
Through the days and through the nights
Through the bitt?r life, oh
[Segunda Parte]
Through the fires and the wildest moments, oh-woah
I'll be wrapped up in thoughts of you, uh
[Pré-Refrão]
Is it a little bit rough
Under the weight of this love?
Is it a little too much
Breathin' the air from your lungs?
```
