**E**                    **G**   **D**  
 Imprisoned,    inside this mind  
**E**                    **G**                    **D**  
 Hiding behind the empty smiles  
**E**                    **G**                    **D**  
 So simple (the anguish) As it mocks me  
**E**                    **G**                    **D**  
 Crawling back into the dark  
  
**E**                    **G**                    **D**  
 Running, always running, into the distance  
**E**                    **G**                    **D**  
 Stop me before I bleed, again  
  
**E**                    **C**                    **D**  
 The echoes of my voice follow me down  
**E**                    **C**                    **D**  
 The shadows I cast            follow me down  
  
**C**                    **D**  
 Deeper    I'm falling  
**E**                    **G**   **D**   **C**  
 Into the arms of sorrow  
**C**                    **D**  
 Quickly    descending  
**E**                    **G**   **D**   **E**                    **G**   **D**  
 Into the arms of sorrow  
  
**E**                    **G**   **D**  
 There must be            serenity  
  
**E**                    **C**                    **D**  
 The echoes of my voice follow me down

**E**                    **C**                    **D**  
 The shadows I cast            follow me down  
  
**C**                    **D**  
 Deeper    I'm falling  
**E**                    **G**   **D**   **C**  
 Into the arms of sorrow  
**C**                    **D**  
 Quickly    descending  
**E**                    **G**   **D**   **E**  
 Into the arms of sorrow  
  
 ( **E**   **G**   **D** )  
 ( **E**   **G**   **D** )  
  
**E**                    **G**                    **D**  
 The demons of my own design  
**E**                    **G**                    **D**  
 This horror must not remain  
  
**C**                    **D**  
 Deeper    I'm falling  
**E**                    **G**   **D**   **C**  
 Into the arms of sorrow  
 ( **C** )                    **D**  
 Quickly    descending  
**E**                    **G**   **D**   **C**  
 Into the arms of sorrow  
**C**                    **D**  
 Deeper    I'm falling  
**E**                    **G**   **D**   **C**  
 Into the arms of sorrow  
**C**                    **D**  
 Blindly    descending  
**E**                    **G**   **D**   **C**  
 Into the arms of sorrow  
**C**                    **D**                    **E**   **G**  
 There must be            serenity  
**C**                    **D**                    **E**   **G**  
 There must be            deliverance  
**C**                    **D**                    **E**   **G**   **D**  
 Deeper    I'm falling  
**C**                    **D**                    **E**   **G**   **D**  
 Blindly    descending  
**C**                    **D**                    **E**  
 Deeper    I'm falling
