 - see comment - Hold bend r release bend
 , - slight palm mute - ghost note, sustained note
 " - tremolo note - Trill

Tuning drop c

Acordes

Ok Im having trouble tabbing this song so I need all of your input on how it should be played so i can finish tabbing the whole song. The Intro: riff is right but when it comes to the ending parts of it I tabbed out 2 different ways it could be, Im leaning towards the 1st ver. Leave me comments on which way you think it should be. Intro: riff
