

Killswitch Engage - End Of Heartache

```
Interlude:
Intro: guitar 1:
                                                                   guitar 1: (same as verse)
                                                                   guitar 2:
guitar 2:
                                                                   Verse 2
Verse 1:
                                                                   Bridge 1
guitar 1: (same as Intro)
guitar 2:
                                                                   Chorus
                                                                   Bridge 2:
                                                                   guitar 1&2:
Bridge 1:
guitar 1&2:
                                                                   Clean:
                                                                   guitar 1:
                                                                   guitar 2: (chorus clean)
Verse 2:
                                                                   Chorus
guitar 1:
                                                                   guitar 2:
guitar 2:
                                                                   Finish...
```

Bridge 1

Chorus: guitar 1&2:

Acordes
