

# Kim Petras - Got My Number

tom:

Girl  
 What's up, bitch?  
 Ooo-oh

I don't wanna be a good girl tonight  
 I just wanna be your bad girl, alright  
 Just wanna be your only one  
 You should hit me up  
 Boy, you got my number

Don't wanna be a good girl tonight  
 I just wanna be your bad girl, alright  
 Just wanna be your only one  
 You should hit me up  
 Boy, you got my number

949-331-0609  
 Call me up, call me up, for a good time  
 I be waiting up for ya  
 Baby, I'ma sex it up for ya  
 Got a little something, something for ya  
 Want a little something, something don't ya?

I got this feeling in my body, in my body tonight  
 And when we leavin', my body is your party tonight  
 If you want it, you can get it, so what you waitin' for?  
 In the kitchen, on the counter, on the bed or the floor, yeah

I don't wanna be a good girl tonight  
 I just wanna be your bad girl, alright  
 Just wanna be your only one  
 You should hit me up  
 Boy, you got my number

Don't wanna be a good girl tonight  
 I just wanna be your bad girl, alright

Just wanna be your only one  
 You should hit me up  
 Boy, you got my number

I know that we just met right now  
 But I just wanna see you with the lights out  
 I just wanna see you at the crib  
 With your hands on my waist  
 And my hands on yaâ ha  
 We can turn it up to the late night  
 Or we can do it into the daytime  
 I just wanna get you to the spot  
 With ya hands on my waist  
 And my hands on yaâ

I got this feeling in my body, in my body tonight  
 And when we leavin', my body is your party tonight  
 If you want it, you can get it, so what you waitin' for?  
 In the kitchen, on the counter, on the bed or the floor, yeah

I don't wanna be a good girl tonight  
 I just wanna be your bad girl, alright  
 Just wanna be your only one  
 You should hit me up  
 Boy, you got my number

Don't wanna be a good girl tonight  
 I just wanna be your bad girl, alright  
 Just wanna be your only one  
 You should hit me up  
 Boy, you got my number

Boy, you got my number  
 ( Am F E7 Am C )  
 ( Am G F E7 )

Woo-ah!  
 Haha, secure the bag, sis  
 Secure the bag

## Acordes
