 Intro: F Am G

[Primeira Parte]

Jealous for my attention  
 Longing for my affection  
 You call me beloved  
 You call me friend  
 You never stop pursuing  
 Craving for communion  
 You call me beloved  
 You call me friend  
 I couldn't dare imagine  
 The depths of Your devotion  
 Wilder than oceans

Oh-oh-oh

[Refrão]

Insatiable  
 You'll never stop until You have it all  
 You can have it all  
 My heart and soul  
 You'll never stop until You have it all  
 So You can have it all  
 You can have it all

[Segunda Parte]

You can have my attention  
 You can have my affection  
 'Cause You are my beloved  
 You are my friend  
 I'll never stop pursuing  
 Craving for communion

'Cause You are my beloved  
 My closest friend  
 Jesus, I surrender  
 Become my one obsession  
 'Til nothing else matters
