Mais perto quero estar, Meu Deus, de Ti **Bm E**
 Inda que seja a dor que me una a Ti
 Sempre hei de suplicar
 Mais perto quero estar, mais perto quero estar
 Meu Deus, de Ti

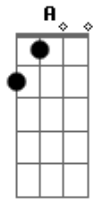

Mesmo vagando aqui na solidão
 De noite a descansar, dormindo no chão
 Em sonhos vou clamar
 Mais perto quero estar, mais perto quero estar
 Meu Deus, de Ti

A D A Gbm G E
 Minha alma cantará a Ti, Senhor
 A D A E A
 Betel aqui verei por teu favor

 Eu sempre hei de rogar

 Mais perto quero estar, mais perto quero estar

 Meu Deus, de Ti

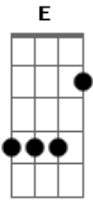

[Solo] A D A Gbm G E
