

# Kina Grannis - Message From Your Heart

Tom: G

('A' na 3ª casa e 'D' na 5ª casa)

Intro: C, Em

(C, Em)

Don't break me, I bruise easily  
The source of both your love and misery  
I am steady, beating endlessly  
While you are dozing, dreaming pretty things  
Lovely things

Em D G D C

I don't work for free

Please take care of me

This is a message from your heart

Your most devoted body part

Taking blood and making art

This is a message from your heart

Pounding away into the dark

You could thank me for a start

This is a message from your heart

(C, Em)

Don't hurt me, I bleed constantly  
My efforts leave me but flow back swiftly  
My rhythm, soothing, like raindrops steady  
On foggy windows when you gaze outwardly  
Peacefully

Em D G D C

Everytime you eat
