```
Tom: G
Intro: C
      C D Em
Verso 1:
I heard it in your voice when your love died
On a telephone connection stretching miles and miles of wire
You said it was over and then cried and cried
You were gone before I said goodbye
Verso 2:
And I don't like to think that it is true
That distance came between us like a knife and cut right
Where did we go wrong and let it all undo?
The only one I ever loved was you

Would you stay just a little, my love?
Would you sway just a little, my love?

Because the hole in the middle of my heart needs filling up
