

King Charles - Mississippi Isabel

Tom: A

I found out about her
 Her name's Mississippi Isabel
 She grows wild strawberries
 She's made of ivoir and pearl.

To look at the universe
 She'd abandoned the world
 I go with her back to the darkness
 I'd give my life for this girl

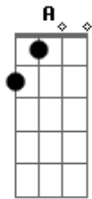

I rode around on my bicycle
 All the way in the rain
 She kissed me once I took her out for lunch
 And she never kissed me again
 (2x)

Her beauty knows no tick of time
 She's the song of the nightingale
 The torturer, the remedy and the tragedy
 In the passionate tale
 And I begged for forgiveness for the way that I am
 And I hope she doesn't blame men for the inelegance of men

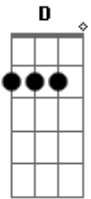

I rode around on my bicycle
 All the way in the rain
 She kissed me once I took her out for lunch
 And she never kissed me again
 (6x)

lalalalalalala
 lalalala la lalala la la
 (2x)
