

King Crimson - Walking On Air

Tom: E

Intro:

Verso:

Close your eyes and look at me

I'll be stading by your side

In between the deep blue sea

And the sheltering sky

If we find no words to say

To the rhythm of the waves

Then will both surrender there you're walkin on the air

Coro:

and the worries...

You don't have to hurry

You don't have to try

You don't have a care

you're walkin on the air

Bridge: E
