But you're trying to fuck with my plans

Dm
Oh, I've heard it all before

[Refrão]

F C
Well my God it's hard to be loved

Dm
But that's life

Dm
Too bad that I'm never enough

F Em
So sad got me licking my cuts

Dm
And that's fine

Dm
Too bad that I'm never enough

(F C Dm)

[Primeira Parte]

F C
They hate me

Dm
Oh, that's what I tell myself

F Em
Oh, they're always taking

Dm
Cheap shots at my feeling well

F
I'm a shell of a man and

Em
A loose cannon

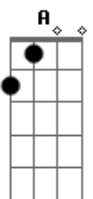

Dm
Stuck with the blood on my hands

F Em
Oh, I understand it, I'm manic

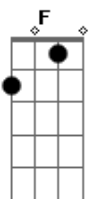

Dm
You wish I'd forget who I am

Dm
Oh, I've heard it all before
