

# Kingdom Culture Worship - Steady Love

tom:

Intro: D D D  
D D D

[Primeira Parte]

If these songs I sing have just become

Routine

Just pretty words but words that

I don't mean

Forgive me Father, wash my worship clean

You want a steady love

Turnaround

( D D D )

[Segunda Parte]

Would I sing the same

Without the stage and lights?

Can I truly call it praise if it needs hype?

Test my heart until it's purified

You want a steady love

Turnaround

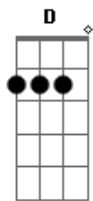

( D D D )

[Refrão]

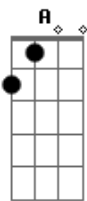

Keep me burning

You want a steady love
