

# Kingdom Hearts Series - My Sanctuary

Tom: E

"Angels in flight" (I need more affection than you know) My Sanctuary My Sanctuary, yeah

Where fears and lies melt away...

"Music inside" (I need more affection than you know) What's left of me What's left of me now...

I watch you fast asleep,

All I fear  
Means nothing...

[Chorus]  
In you and I, There's a new land

"Angels in flight"  
(I need more affection than you know) My Sanctuary My Sanctuary, yeah

Where fears and lies melt away...

"Music inside" (I need more affection than you know) What's left of me What's left of me (So many ups and downs) My heart's a battleground (I need two emotions)

But, (I need more affection than you know) (I need two emotions)  
You show me how to see That nothing is whole and nothing is broken...

In you and I, There's a new land,

"Angels in flight" (I need more affection than you know) My Sanctuary My Sanctuary, yeah

Where fears and lies melt away..."

Music inside" (I need more affection than you know)

What's left of me, What's left of me now...

Ooh...  
My fears...  
My lies...  
Melt away...

## Acordes
