

## Kings Of Convenience - Build-up

Tom: **A**

This is my first tab so bare with me. I think it sounds allright. Let me know. I love the Kings...

(Figure **A** )

The Build up... Days... weeks... Long...

Our hero withdrew  
When there was two  
He could not choose one

So there was none

Worn into... Vaguely...

(Figure **A** ) Play "Figure A" with this Part.

The spinning top made a sound like a train across the valley  
Fading, oh so quiet, but constant 'til it passed  
Over the ridge into the distances, written on your ticket  
To remind you where to stop  
And when to get off  
When to get off  
When to get off  
When to get off

## Acordes
