

Kings Of Convenience - Comb My Hair

tom:

A
I've got nothing to say to you

A Bm
I've got to look ahead

A Bm
That love that I once felt for you

E A
Is by now as good as dead

Gbm Dbm
No, I'm not fooling anyone

Gbm E
And least of all myself

Dbm Gbm
I still believe that you will come

Bm E

And take me back again

A Bm
What good is it to comb my hair?

E A
It won't be touched by you

A Bm
Why wake up when you won't be there?

E A
Why go outside? It's lonely there

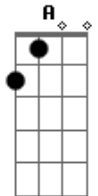

Gbm Dbm
The sky is full of stars tonight

Gbm E
The air is warm and clear

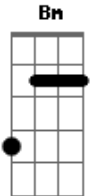

Dbm Gbm
That silence that I longed to find

E A
Is cold and senseless now
