 One more time

Let's say you give me one more time

One last chance to speak again

Let's start from what we left unsaid

And here we go **Abm7** Brave enough

To go climbing a wall

Db7 So high that no sunlight

Is seen through winter

F#7M Brave enough to go traveling

Around the world

Ebm7 Without money to eat or sleep for

Abm7 Seeing what you can

Do with your hands and feet

Db7 I feel there is no question about it

F#7M Almost anything you can imagine

Ebm7 Almost any goal You will get there

(**Abm7** **Db7** **F#7M** **Ebm7**)

Abm7 I wish you had been more of a talker

Db7 Not the kind that is

Just flapping his lips

F#7M And not the kind that looks away

Ebm7 But learns through his eyes

When somebody is watching

Abm7 Maybe you could have told me
Db7 There was a world on

Your shoulders that needed lifting
F#7M

Maybe I could have helped you with that
Ebm7

The weight is not easy I know
Bbm7

But you never know

Db7 I thought your shoes were good
Abm7
F#7M

I thought they would take you
Bbm7

To the end of any road

Db7 I thought your back was strong
Abm7
F#7M

I should have carried you to the top
Bbm7

Of the rocky I trail
Db7

I should have carried you to the top
F#7M

Of the rocky trail

Abm7 How am I to know about your problems
Db7

And your load

F#7M I am blind to what you show

Ebm7 I am waiting to be told I never ask

Abm7 How am I to know about your problems
Db7

And your load

F#7M I am blind to what you show

Ebm7 I am waiting to be told I never ask
F#7M
