

# Kings Of Convenience - Surprise Ice

Tom: **D**

Riot on an Empty Street

You should be able to use a pick instead of finger picking.  
The only hard concept in song is the chord progression, but that will come with time.  
This is my first full tab but very accurate. At the bottom I have the lyrics after the part they occur in.

PART 6 X2  
Love comes like surprise ice on the water,  
Love comes like surprise ice at dawn,  
Love comes like surprise ice on the water,  
Love comes at dawn,  
PART 7 X3

That's all. It's a hard song to play but really effective. If you're going to play a for it, the bass is essential for all those key notes before the riffs/pickings. Just for it and you'll know what I mean.
