

# Kings Of Leon - Beautiful War

Tom: A  
Intro: A

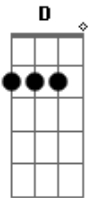

Bite your tongue<sup>A</sup>  
Don't make a scene, dear<sup>D</sup>  
Everybody's been here least once before<sup>A</sup>  
We've been here more<sup>A</sup>  
Your heart breaks<sup>A</sup>  
Rolls down the window<sup>D</sup>  
I've seen it all go, come back around<sup>A</sup>  
And I've heard the sound<sup>E</sup>  
The tip of your tongue<sup>D</sup>  
The top of your lungs is doing my head in<sup>A</sup>  
I say, "Love, love don't mean nothing<sup>D</sup>  
Unless there's something worth fighting for."<sup>A</sup>  
It's a beautiful war<sup>A</sup>  
When I hold<sup>D</sup>  
The warmth of your body<sup>A</sup>  
There is nobody that I'd rather hold<sup>E</sup>  
Shattered and cold

The tip of your tongue<sup>D</sup>  
The top of your lungs is making me crazy<sup>A</sup>  
I say, "Love, love don't mean nothing<sup>D</sup>  
Unless there's something worth fighting for."<sup>A</sup>  
It's a beautiful war  
I say, "Love, love - it don't mean nothing<sup>D</sup>  
unless there's something worth fighting for."<sup>A</sup>  
It's a beautiful war  
It's a beautiful war<sup>A</sup>  
It's a beautiful war<sup>A E D</sup>  
It's a beautiful war<sup>A</sup>  
I say, "Love, love..."<sup>A</sup>  
I say, "Love, love don't mean nothing<sup>D</sup>  
unless there's something worth fighting for."<sup>A</sup>  
I say, "Love, love don't mean nothing<sup>D</sup>  
unless there's something worth fighting for."<sup>A</sup>  
It's a beautiful war  
It's a beautiful war  
It's a beautiful war
