

# Kings Of Leon - Black Thumbnail

Tom: **D** figure out just listening to it.

Verse Chorus

This song only uses two chords. It is in the key of **E** and when I like playing power chords for the chorus he changes chords he to **D**

The **E** Chord looks like this Solo

The **D** Chord looks like this

I'm not going to tab out the strum pattern or when the chords change. It's easy enough Please Rateomment
