Refrão

G Hey, California waiting **D**
G Every little thing's gotta be just right **D**
G Say While you're tryin' to save me **D**
G I Can't I get back my lonely life

I'm goin' so fast that I can't slow down
 It's hard to get up when you're spinnin' round and round
 I'd tell you the news but nothin's changed
 I'd sing you a song but they blew it away
 All wrapped up in this stupid ass game
