

# Kings Of Leon - Cold Desert

Tom: D

D Bm A  
 I'm on the corner, waiting for a light to come on  
 G  
 That's when I know that you're alone  
 D Bm A  
 It's cold in the desert, water never sees the ground  
 G D  
 Special unspoken without sound  
 ( D Bm A G D )

D Bm A  
 You told me you loved me, that I'd never die alone  
 G  
 Hand over your heart, let's go home  
 D Bm A  
 Everyone noticed, everyone has seen the signs  
 G D

I've always been known to cross lines

( D Bm A G D )

D Bm A  
 I've never ever cried when I was feeling down  
 G  
 I've always been scared of the sound  
 D Bm A  
 Jesus don't love me, no one ever carried my load  
 G D  
 I'm too young to feel this old  
 ( D Bm A G D )

D Bm  
 Is it you, is it me  
 A G  
 Or does nobody know, nobody see  
 D  
 Nobody but me  
 ( D Bm A G D )
