Tom: G

(com acordes na forma de F)

Intro: F G F G F G F G Bb F Bb F G (2x)

You fault, my pride

Don't ever need apologise

Your lips, unfold
Shaking purple from the cold

You better learn to Crawl

You better learn to Crawl

Before I Walk away

Before I Walk away

F G F G F G F G Bb F Bb F G

You broke my mouth

The bloody bits are spitting out

Your grave, unscathed

The worm is counting down the day

He wants to see you Crawl

He wants to see you Crawl

Before I walk away

Before I walk away

The reds and the white and abused
The Crucified USA

As every prophecy unfolds

Hell is surely on it's way

F G F G F G F G Bb F Bb F G (2x)

The rat and the fly

Are searching for an alibi

As we wait the wrath

They never went to Sunday mass

They want to see us crawl

They want to see us crawl

Before they walk away

Before they walk away

The reds and the white and abused

The crucified USA

As every prophecy unfolds

Hell is surely on it's way
