

# Kings Of Leon - Echoing

tom:  
 C  
 Wakin' early in the mornin'  
 C  
 Waitin' on the light of day  
 Am F  
 Whole new kind of feeling is on the way  
 C  
 I'm not scared of knowing  
 C  
 If we're ever getting out  
 Am F  
 We could be here forever without a doubt  
 ( C F C F )  
 ( C F C F )  
 C  
 Time is always higher learning  
 I'm still barely making grades  
 Am F  
 Just about imagination anyway  
 C  
 We are circling the wagons  
 Lining up in the single file  
 Am F  
 Members of the jury are standin' trial  
 Em  
 Waiting on a memory  
 G  
 Waiting on a memory, oh-oh-oh  
 C  
 Said if you love me and you're willin' to dance  
 Am F  
 We could take it to the high s?as  
 C Am  
 Echoin?, echoin? where do w? stand

( Em Dm C )  
 C  
 My heart's hard of hearing  
 My head's fill of sand  
 Am F  
 Feet point both directions if you need a hand  
 C  
 Black water reflection  
 Lost in a city park  
 Am F  
 I can't find my way through the dark  
 Em  
 Waiting on a memory  
 G  
 Waiting on a memory, oh-oh-oh  
 C  
 Said if you love me and you're willin' to dance  
 Am F  
 We could take it to the high s?as  
 C Am  
 Echoin?, echoin? where do w? stand  
 F  
 We'll be sailin' on a wild breeze  
 C  
 Well if you love me and you're willin' to dance  
 Am F  
 We could take it to the high s?as  
 C Am  
 Echoin?, echoin?, echoin?  
 C F  
 Someone's well out into the sea  
 C F  
 Save you from the mountain height  
 C F  
 We'll be miles away from here  
 C F C  
 We'll be sailin' human skies

## Acordes
