

Kings Of Leon - Family Tree

Tom: D

Pra fazer o riff do baixo:

E
I'll tell you now that I don't understand
Why everybody gives a big hot damn

A
Oh where I'm going to

E
Don't mean a thing to you

E
I see you sitting in your masquerade
I'd love to pour you some of my lemonade

A
And get it off all right

E
We'll call it an early night

B **A**
I know you hate me so, but I ain't gonna go

E
I'm staying here all right

E
I am your family tree
I know your **A** to Z
This is a secret proposition lay your hands on me

A **E**
Nothing to talk about darlin', it's all make believe

B **A** **E**
I see your hands are shaking, but my heart is breaking me
down

E
It's a pretty day and I'm gonna get all right
I lost my head and you ain't nowhere in sight

A
I see you got it all wrong
E

I got no calls on my phone

B **A**
I'll just keep holding out, until I find a doubt
E

That you ain't coming home

Wooooo!

E
I am your family tree
I know your **A** to Z
This is a secret proposition lay your hands on me

A **E**
Nothing to talk about darlin', it's all make believe

B **A** **E**
I see your hands are shaking, but my heart is breaking me
down

Ponte:

(só nas palminhas)
I am your family tree
I know your **A** to Z
This is a secret proposition lay your hands on me

I am your family tree
I know your **A** to Z
I've got a secret proposition lay your hands on me

E
I am your family tree
I know your **A** to Z
This is a secret proposition lay your hands on me

A **E**
Nothing to talk about darlin', it's all make believe

B **A** **E**
I see your hands are shaking, but my heart is breaking me
down

B **A** **E**
I see your hands are shaking, but my heart is breaking me down

Acordes
