

# Kings Of Leon - Find Me

Tom: E

[Intro]

Dbm B  
Dbm B  
A Dbm B

[Verse 1]

See you in the western sky  
On the best of nights  
Out in the dark  
You always seem to come my way  
Come and take your shape  
Out in the stars  
I really want to know your name  
See your face  
Know who you are  
Who you are

[Chorus]

E Gbm A Dbm B How did you find me, how did you find me?  
E Gbm A Dbm B What are you looking for, what are you looking  
for?  
E Gbm A Dbm B How did you find me, how did you find me?  
E Gbm A Dbm B I see your shadow knocking at my door

[Verse 2]

Waiting on the smoke to rise  
From behind your eyes

Take me away

Follow me into the wild  
With a twisted smile  
I can't escape  
And now I got you by my side  
All my life  
Day after day  
Turn to grey

[Chorus]

E Gbm A Dbm B How did you find me, how did you find me?  
E Gbm A Dbm B What are you looking for, what are you looking  
for?  
E Gbm A Dbm B How did you find me, how did you find me?  
E Gbm A Dbm B I see your shadow knocking at my door

[Instrumental]

A Dbm B  
See you in the western sky  
Behind your eyes  
I can't escape from the grey  
[Chorus]  
B How did you find me, how did you find me?  
E Gbm A Dbm B What are you looking for, what are you looking  
for?  
E Gbm A Dbm B How did you find me, how did you find me?  
E Gbm A Dbm B I feel your shadow, what are you looking for?
