

Kings Of Leon - Mollys Hangover

Tom: C

Additional Info: Track 03 on the "Wasted Time" Single.
 Tuning: Standard - [EADGBE]
 Tabbed By: Dean Hill - Comments, Suggestions?

Please note, this was created when the song first came out. I've not touched it since, decided to upload it after a few requests. The last fast solo bit hasn't been tabbed (I never got it finished) I'm so busy right now I don't have time. Sorry. This is the of it anyway. - Deano.

 Intro: [SEE LEAD TAB FOR INTRO RIFF]

C
 A free, that's all that she could be, that's why she'll never stay,

A White, barenaked in the night, and lookin' for some play
 A just another girl that wants to rule the world, or any time or place,

And when she gets into your head, you know she's there to stay.

[Chorus] F G
 You want it, Well she's got it,
 C Molly's Chambers gonna change your mind,
 F G
 She's got your, your pistol,
 C Molly's Chambers gonna change your mind,
 Molly's Chambers gonna change your mind.

C
 Slow, she's burnin' in your soul, with whispers in your ear,
 'S okay I'll give it anyway, just get me out of here,

You'll plead, you'll get down on your knees, for just another taste,

And when you think she's let you in, that's when she fades away.

[Chorus] F G
 You want it, Well she's got it,
 C Molly's Chambers gonna change your mind,
 F G
 She's got your, your pistol,
 C Molly's Chambers gonna change your mind,
 Molly's Chambers gonna change your mind.

[Outro] (F) G
 You want it, Well she's got it,
 C Molly's Chambers gonna change your mind,
 F G
 A she's got your, your pistol,
 C Molly's Chambers gonna change your mind.
 F G

You want it, Well she's got it,
 C Molly's Chambers gonna change your mind,
 F G
 She's got your, your pistol.
