

# Kings Of Leon - Razz

Tom: E

Album:A-Ha Shake Heartbreak  
 Tabber:Alexthebeatle, FROM SPAIN

-INTRO:  
 bass riff:

then Caleb (guitar 1) plays the E chord all through the intro. (HE PLAYS IT ALL THROUGH THE VERSES AS WELL)  
 You can play the E chord the normal way, it sounds very well, but I've seen the Rock in Rio concert video, and Caleb plays this strange chord, wich is something like an E with some G, (only downstrokes):

guitar 2:(after Caleb)

strange E, but always downstrokes):

E  
 Just like the girl is like a corner store  
 E  
 Watch my view before you watch in my drawer  
 E  
 Speak noodle less and I'm a soldier nothing and  
 E  
 Lot of mercy shaking, falling through your hands

-CHORUS:  
 bass:

guitar 1:  
 razz the kid

guitar 2: razz the kid

-VERSE 2 (SAME AS VERSE 1):

Because she love me I'm the chosen one  
 These are the days we'll not be having no fun  
 I listen back to what you told me before  
 Just tell me where to come and knock down that door

-CHORUS 2 (SAME AS CHORUS 1)

-BRIDGE (JUST AFTER SECOND CHORUS):

-bass:

-guitar 1:  
 Gb A B

-guitar 2(enters after guitar 1 plays two times the thing above):

Gb A B Gb A B

-SOLO:  
 guitar 1:

guitar 2:  
 Gb A B Gb A

B Gb A B Gb A

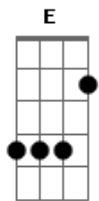

-EVERYTHING STOPS EXCEPT THE BASS:

.....the rest is about the same

 -----

"something's growing that don't help me now...  
 .....silly expectations of a dream...  
 at least there's a record that I love to play"
